

Tour OF HOMES SCHLESWIG

*Was your house built
before 1924?*

We are celebrating houses that are a century or older in Schleswig.

Please participate in this unique event to showcase the history of Schleswig. Contact Kendal Esteves and let her know that you will need a sign for your yard. The sign will have a space for the year that it was built and an interesting fact about your house. Perhaps an interesting architectural feature or who the first owners were.

Please e-mail Kendal at kendal_esteves@hotmail.com or call her at 712-796-2791 to reserve your yard sign. A list of participating houses will be made available once all signs are placed. Locals & visitors can then drive or walk by participating homes during our 125th celebration, to observe and admire the historic craftsmanship of Schleswig.

Deadline to reserve your sign is August 20
